Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain LeSueur Housing and Redevelopment Authority occupancy goals, to allow for non-emergency but medically advisable transfers, and other transfers approved by the LeSueur Housing and Redevelopment Authority when a transfer is the only or best way of solving a serious problem.

16.3 Documentation

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 Processing Transfers

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category 1 and 2 will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category 1 will be housed ahead of transfers in category 2.

Transfers in category 3 will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both.

16.5 Transfer Requests

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the LeSueur Housing and Redevelopment Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The LeSueur Housing and Redevelopment Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The LeSueur Housing and Redevelopment Authority will grant or deny the transfer request within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the Authority will advise the family of their right to utilize the grievance procedure.

16.6 Right of the LeSueur Housing and Redevelopment Authority in transfer policy

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

The LeSueur Housing and Redevelopment Authority has set the minimum rent at \$50.00. If the family requests a hardship exemption, however, the LeSueur Housing and Redevelopment Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:

When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;

 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and

At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

Using parts I, II, and III of the Annual Statement for the Capital Fund Program (CFP), identify capital activities the PHA is proposing for the upcoming year to ensure long-term physical and social viability of its public housing developments. This statement can be completed by using the CFP Annual

Statement tables provided in the table library at the end of the PHA Plan template **OR**, at the PHA's option, by completing and attaching a properly updated HUD-52837.

Select one:

☐ The Capital Fund Program Annual Statement is provided as an attachment to the PHA Plan at Attachment (state name)

-or-

☒ The Capital Fund Program Annual Statement is provided below: (if selected, copy the CFP Annual Statement from the Table Library and insert here)

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in their Annual Plan a Capital Improvement Plan. The need we currently have greatly exceeds the resources we have to meet these needs. The prioritization decisions we have made were extremely difficult to make, but are in the best interest of our residents and community.

This Capital Fund Program Annual Statement is based on the best information that was available to the LeSueur HRA at the time we prepared the Annual Statement.

We have prepared our Capital Fund Program Annual Statement based on our award for the Federal Fiscal Year ended September 30, 2000 in the amount of \$62,644.

Please note that we have not provided preliminary cost estimates for all the work items we plan to accomplish during Fiscal Year 2000. Based on the results of our internal needs assessment, we have budgeted the following items for FFY 2000 – 2004 in our one and five year plan. As an interim measure, we have put together our best estimate of these costs, knowing that they will need to be done over the five year period. After we have received the bids on these projects, we will be better able to prioritize the work based on the costs. In addition, we anticipate that during the course of the ensuing fiscal year we will be in a better position to know the amount of Capital Funds we can expect to be allocated over the next five years.

The following is an excerpt from the LeSueur HRA's Admissions and Continued Occupancy Policy (ACOP):

18.0 Pet Policy

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN SENIOR BUILDINGS

The LeSueur Housing and Redevelopment Authority will allow for pet ownership in projects or buildings designated for use by elderly and/or disabled families and in any project or building for which elderly and/or disabled families are given preference.

18.3 Approval

Residents must have the prior approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.

18.4 Types and Number of Pets

The LeSueur Housing and Redevelopment Authority will allow only domesticated dogs, cats, birds, and fish in aquariums in units. All dogs and cats must be neutered.

Only one (1) pet per unit allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed thirty (30) pounds in weight.

18.5 Inoculations

In order to be registered, pets must be appropriately inoculated against rabies and other conditions prescribed by local ordinances.

18.6 Pet Deposit

A pet deposit of \$250 for each dog or cat and \$75.00 for birds and fish is required at the time of registering a pet. The deposit is refundable when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear.

18.7 Financial Obligation of Residents

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the LeSueur Housing and Redevelopment Authority reserves the right to exterminate and charge the resident.

18.8 Nuisance or Threat to Health or Safety

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or LeSueur Housing and Redevelopment Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance will result in the owner having to remove the pet or move him/herself.

18.9 Designation of Pet areas

Pets must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the projects. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

18.10 Visiting Pets

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without LeSueur Housing and Redevelopment Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

18.11 REMOVAL OF PETS

The LeSueur Housing and Redevelopment Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.
